Dear Amber,

Can we get an update on the planning consent.

Thank you,

Andrew

On 12 Feb 2020, at 9:07 am, Andrewmartin45 <[REDACTED]>

Dear Amber,

Further to your email below I attach, as requested:-

1. Location Plan - marking outline of **Front Garden**
2. 2 x PDFs of detail of **Front Garden** layout showing the siting of the proposed 2 vegetal pergolas (Option B - edge to edge the existing hornbeam hedges), and their size between the existing hornbeam hedges.

The proposed vegetal pergolas (at 3100mm height) will be lower than the existing hornbeam hedges and will be planted with evergreen jasmine so they will enhance the evergreen nature of the front garden.

Thanks,

-Andrew
