Reference: Planning Application BN 9/19 PL – Cottage Piggeries - Replacement of existing residential mobile home with new dwelling & detached garage

Dear Mr Davis,

Further to the submission of planning application BN 9/19PL - Replacement of existing residential mobile home with new dwelling & detached garage.

Having given due consideration to any impact that this replacement dwelling would have on my adjacent property and to the wider local area, could I please register my support for this application on the basis that this replacement dwelling would be more in keeping with the immediate neighbourhood house designs and would improve the visual impact of the location.

Yours Sincerely

P. Voller
