Hi Rhiannon,

I sent comments over on the acoustic report on the 1st July so not sure why you haven't got them, I have attached a copy to this email.

If you need anything else please let me know

Kind regards

Hi,

I note that we have not received a consultation response for this application, although there was a linked application (BR/102/26/A) that you provided a response and conditions for, but the noise impact assessment was uploaded against this application, so I don't think you saw it (BR/101/26/PL).

Is it possible to review the noise impact assessment (attached and uploaded to record for BR/101/26/PL) and confirm whether you still require all of the listed conditions requested under response for BR/102/26/A (attached.)

Many thanks,
Rhiannon
