Subject: RE: Discharge of Conditions application - 53 High Street, Bognor Regis

Hi Nicky,

They are indeed a duplicate. I originally sent it by email but I was unable to pay via your website so I had to upload via the portal in the end. I believe the second application should be correct but please let me know if there are any problems.

Kind regards,

Will Pearce

Subject: Discharge of Conditions application - 53 High Street, Bognor Regis

Good Afternoon

We have received an application form the Planning Portal (PP-09724604) on 9th April, to discharge conditions 5, 6 and 7 following BR/147/20/PL. However, we have also received an application via email on the same day (BR/103/21/DOC) that appears to be a duplicate.

An email was sent yesterday regarding BR/103/21/DOC as the incorrect form had been received.

Please confirm if these are duplicate applications, and which of them you would like to continue with.

Kind Regards

Nicky Moore

Essential maintenance is being carried out to the planning, building control and local land charges database during the week commencing 12 April 2021.

During this time there will be no public or staff access to any records held within this database, and it will not be possible to carry out any of the following tasks via the Arun website:

- Research planning and building control history
- View any planning applications, plans, agreements, tree preservation orders or competent persons data
- Submit building control applications
- Submit planning application comments
- Report any planning compliance issues

The publicity and consultation period for all planning applications that fall over this week will be extended by a further week to ensure no one is disadvantaged.

All other aspects of planning, building control and local land charges will be limited during this week and you are strongly advised to contact the individual departments before 12 April 2021 for specific restrictions during this time.
