Afternoon Amy,

Thanks for this.

In order to expedite our advice in this circumstance please accept this email (rather than the normal headed response) as a formal response regarding BR/103/21/DOC.

I can confirm that the last version of the Travel Plan (Issue 4 Dated 07/06/2021) now includes all the relevant information WSCC would expect for a travel plan representing a development such as this.

As such I can confirm that no highways concerns would be raised with regard to the plans and details submitted regarding condition 6 (Travel Plan) of BR/147/20.

I trust this assists to allow you to determine the application in full.
