Dear Simon,

I would not regard this tree, whether Bay or another species, appropriate to retain due to its close proximity to existing property. There are other trees near to the vicinity such as those which grow opposite in the Park.

Ian

Hi Ian,

I visited this today and noted that they plan to remove a tree from the back garden which can currently be seen from the street above the existing dbl garage. Hence, I've decided to send you a consultation (sent today). Here are some photos of it.

Kind Regards
