Application for Planning Permission
DECISION NOTICE

Application Ref: BR/106/13/

1 **To Addressee**

Mr J Dowling

47a Felpham Way
Bognor Regis
West Sussex

2 **Site Address**

1 Arnhem Road
Bognor Regis
PO21 5LB

3 **Description of Development**

Removal of double garage and replace with detached 3 bed dwelling

4 In pursuance of their powers under this Act and related Orders and Regulations the Council **REFUSE** to approve the development as described in the application and plans for the reasons stated.

1 The site by virtue of its size & shape, is considered unsuitable to accommodate a dwelling and private amenity space satisfactorily without damaging the character of this established residential area. The proposal would therefore result in an unduly cramped and unneighbourly form of development which would be detrimental to the character and amenities of the surrounding residential area, contrary to policy GEN7 of the Arun District Local Plan and the National Planning Policy Framework.

2 The proposed dwelling provides insufficient space between the flank walls of the dwelling and the site boundaries. The Local Planning Authority consider that in respect of a two-storey building not less than one metre should be provided in order to give adequate convenience to the occupiers and to protect the character and appearance of the street scene in conflict with policy GEN7 of the Arun District Local Plan and the National Planning Policy Framework.

INFORMATIVE: Statement pursuant to Article 31 of the Town and Country Planning

(Development Management Procedure)(England) (Amendment No. 2) Order 2012. The Local Planning Authority has acted positively and proactively in determining this application by identifying matters of concern with the proposal and determining the application within a timely manner, clearly setting out the reason(s) for refusal, allowing the Applicant the opportunity to consider the harm caused and whether or not it can be remedied by a revision to the proposal. The Local Planning Authority is willing to meet with the Applicant to discuss the best course of action and is also willing to provide pre-application advice in respect of any future application for a revised development.

NOTES RELATING TO PLANNING APPLICATION
TOWN AND COUNTRY PLANNING ACT 1990

APPEALS TO THE SECRETARY OF STATE

If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the First Secretary of State under section 78 of the Town and Country Planning Act 1990.

If this is a decision on a planning application relating to the same or substantially the same land and development as is already the subject of an enforcement notice, if you want to appeal against your local planning authority's decision on your application, then you must do so within 28 days of the date of this notice.

If an enforcement notice is served relating to the same or substantially the same land and development as in your application and if you want to appeal against your local planning authority's decision on your application, then you must do so within: 28 days of the date of service of the enforcement notice, or within 6 months (12 weeks in case of a householder appeal) of the date of this notice, whichever period expires earlier.

If you want to appeal, then you must do so within 6 months of the date of this notice using a form which you can get from the Secretary of State, Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN or on line at www.planningportal.gov.uk/pcs

The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to him that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

In practice, the Secretary of State does not refuse to consider appeals solely because the local planning authority based their decision on a direction given by him.

PURCHASE NOTICES

If either the local planning authority or the Secretary of State refused permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council (that is, where the land is situated in a National Park, the National Park authority for the Park, or in any other case the district council in whose area the land is situated). This notice will require the Council to purchase the owner's interest in the land in accordance with the provisions of Chapter 1 of Part VI of the Town & Country Planning Act 1990.

Please note that this decision notice only relates to matters under the Planning Acts and does not give consent under any other legislation that may apply to the

development. You will need to carry out your own checks to determine whether any other consents or permissions are required. For example, the Building Regulations are likely to apply to most developments, and a Highways Licence may be required from West Sussex County Council for any development within the public highway (including the placing of skips on highway land).
