Simon,

We note this planning application was recently refused consent due to the lack of the S106 agreement.

However, the final version of the S106 agreement was emailed to ADC on 11 May 2018 (as the attachment), and we are not aware of any changes that were required to this document. On this basis, are you able to clarify exactly why the application was refused consent?

I look forward to hearing from you.

Thank you,

Phil.
