Dear Mr Puplett,

I hope this email finds you well.

I am currently dealing with the above application with regards to CIL. The application has now been decided and therefore I need to send out a CIL Liability Notice. As we are currently working from home, all notices are being sent electronically. Could I please therefore ask you to confirm the applicants email address. No Form 2 Assumption of Liability has been received and although these do not need to be sent in until before commencement, if you know who will be assuming liability, it is sometimes just easier to forward that before the first Liability Notice is sent to you.

I look forward to hearing from you.

Kind regards,
Julie
