30th March 2011

Dear Mr Baezer,

Re: BR/119/09 24 West Street Bognor Regis – Discharge of Conditions

I enclose Application for details reserved by condition.

Condition 2 – The external walls will be painted white.

Condition 3 – Windows to be PVC. Section of window enclosed.

G & H Windows have been approached as their Mr Paul Wayts has considerable experience of designing and installing windows in conservation areas.

I enclose drawings.

An alternative would be to have smaller glazed panels similar to those installed at the Museum in West Street.

The side windows in Scott Street are to match the existing white PVC adjacent window at Milton Cottage 35 Scott Street. The external door is timber painted black to match the door at No. 35. I enclose Photostat.

Please consider this letter as part of this Application and let me know if you require further information.
