I would greatly like to SUPPORT this application.

Having visited Micro Pubs all over the country each and every one is a joy to visit. Due to their small size they have no dartboard, pool table or electronic machines, nor do they sell lager, spirits, cocktails etc. What they do sell is Real Ale, Real Cider and a few wines. There is bench type seating around the perimeter of the pub which encourages conversation between customers, this very fact leads to a pleasant, friendly and safe drinking environment. . Some Micro Pubs also have interesting books to look at, newspapers to read and crib boards and cards – all quiet pursuits. It's also a well-known fact that 90% of Real Ale drinkers are non-smokers, meaning (a) people are not standing around outside the pub and (b) no unsightly fag butts piling up around the doorway.

I also live in Bognor Regis and am looking forward to being able to drink in this Micro Pub.

I wish to SUPPORT this application.
