

BR/110/08 	Outline application for the redevelopment of premises to provide 14 No. apartments	18 Lennox Street Bognor Regis	OBJECTION on the grounds this is unneighbourly and is changing the face of the area. This also appears to be in direct opposition to the BR Master Plan to regenerate and maintain original buildings as part of the town's historic heritage. It is also worthy of note that with more and more of these redevelopments there is no increase in the local infrastructure – doctors, hospitals, dentists. School places, etc. to sustain these pockets of developments. Comment was also made that this could overload the inadequate sewage systems.
