Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: BR/112/20/PL
Site Address: 14a Canada Grove Bognor Regis PO21 1DN
Description of works: Single storey rear extension

Thank you for your internet representation made on 18th June 2020 which has been recorded as an objection with the comments as follows:

OWPC27878

I live in the neighbouring property and previously objected to the planning application made under ref BR/46/17/PL on the basis that I was concerned that once the works were completed the 2.3m projection with high eaves on the proposed pitched roof, the light entering my property would be severely restricted. The works were never completed and now has been demolished. To be replaced with a 3.8m projection extension- again adjacent to our boundary.

When my property was converted into flats (ref BR/294/04)

The extension to the rear of the property was built away from the boundary line which meant that the extension was not over bearing on 14A Canada Grove. The conversion of my property also left a window on the original back wall which is now the only window serving my bedroom. If a 3.8m extension is built at number 14A, adjacent to the boundary line, that building will be overbearing on my property and will significantly impeded upon the light entering my bedroom.

I am not prepared to waiver my rights so feel I have no choice but to object to this application
