Hi Leeza,

Our Solicitor has confirmed again that the documents were posted via first class delivery, so I am surprised that they have still not reached Anderson Rowntree. She has previously supplied a clean copy to them via email. She will ask that they re-print these and recirculate for signing.

How long do you anticipate it will take your clients to return signed copies?

Anita

Hi Paul.

I am waiting for the S106 Agreement to come back from the Council. Sofina Ahmed said she has posted it to me but I have not received it. There are terrible problems with the post, today we received a handful of post which was sent to us on 8th and 11th January. I can do nothing further until I receive the Agreement after which I will send it straight away to the Bank. I hope it may be with me in the next few days but I have no way of telling. In the meantime, can either you or Robbie give me the Bank's details ie: address if you have it and your account number.

I do apologise that this has been going on for so long but there is nothing further that I can do. I actioned the email's from Sofina regarding the Agreement when I received them but this is out of my control. Perhaps you could explain the position to Anita and Leeza detailed below.

Hi Leeza,

Can you let me have an update on the current position re the legal agreements? The agreements received at our office on 07-01-2021 were not signed by the Bank. The documents were returned to the applicant's solicitor so that she could forward them to the bank for execution. We have heard nothing since. I am mindful that the EOT expires at the end of this week and that the application has been outstanding for months.

Dear Leeza,

I have heard back from our solicitor today. She is creating a final version of the s106 and will send this your solicitor later today.

Once they have confirmed that the final version is acceptable, she will be asking them to create engrossments and then circulate this amongst the parties. As the deed needs to be sent to the owner first and then to the bank, it may take several weeks before this is returned to the LPA for sealing.

On this basis I would suggest a further extension of time is agreed. Shall we say until 23-12-2020? Please can you confirm agreement ASAP.

Thanks

Hi Leeza,

I have spoken to our solicitor today who has advised that the legal agreement is unlikely to be signed within the next few days and the practicalities of copying paperwork through lockdown will build in further delays. Can we therefore agree to an additional 3 week extension of time until 27=11=2020 to allow for completion?

Please can you confirm your agreement by lunchtime tomorrow?

Dear Mrs Aldis-Hobbs,

I am starting to get clarity on the contributions which will be required for the proposal to receive a positive recommendation, so far these include Pagham Harbour contribution of £8,718, Public open space of £19,719 and off site play of £17,363.

Can you let me have the details for the Developer's Solicitor so that I can advise our solicitor accordingly? It would be appreciated if you can let me know by Friday as I am then away for 2 weeks and the agreement can't then be progressed in my absence.
