

Dear sirs,

Re: App BR/305/14/PL

Following the Conditional Consent dated the 25/March/2015 to the above, I hereby request approval to discharge of the Conditions as follows:

Condition 1 - This is noted and accepted.

Condition 2 - This is noted and agreed.

Condition 3 - Please note that the new windows and french doors will be fitted into the existing openings, thereby being of the same overall size. The windows will be vertical sliding sash in upvc using profiles as close to the existing frame sections as the window supplier can achieve, with glazing bars within the glazed units to emulate the existing design. The doors will be side hung casements in upvc also using profiles as close to the existing frame sections as the window supplier can achieve, again with glazing bars to emulate the existing design.

In support of this application I enclose herewith sketches 'A' and 'B' showing the existing timber profiles and the proposed replacement white upvc profiles, together with my cheque in the sum of £28-00 as the fee for the discharge of Conditions.

I trust these details are sufficient to discharge the Conditions, and look forward to hearing.

Yours faithfully,

Mr P. Hall.
