BR/115/08 MDP	Installation of dormer window in roof and change of use of property to three self-contained flats	25 Burnham Avenue Bognor Regis	NO OBJECTION but concern was raised over the lack of parking available on the site and the problems on-street parking will cause so near to the road junction opposite
BR/116/08 ARC	Demolition of existing houses (2 No.) & outbuildings and garage, residential development of 10 houses, new garage block, 17 No. parking spaces and new access drive	41 - 45 Pevensey Road Bognor Regis	OBJECTION on the grounds this is unneighbourly, is changing the face of the area and contributing to the loss of 2 substantial buildings. The erection of 10 houses would constitute an undesirable intensification of residential development at a density which would be cramped and out of keeping. This also appears to be in direct opposition to the BR Master Plan to regenerate and maintain original buildings as part of the town's historic heritage. It is also worthy of note that with more and more of these redevelopments there is no increase in the local infrastructure – doctors, hospitals, dentists, public open space, play equipment, school places, etc. to sustain these pockets of developments. Comment was also made that this number of new houses could overload the inadequate sewage systems.
BR/119/08 SAZ	Demolition of an existing outbuilding & the construction of a replacement building to provide a detached 2 storey dwelling.	Coach House Rear of 108 Aldwick Road Bognor Regis	OBJECTION on the grounds this dwelling is over intensive and unneighbourly, it is right up against the boundaries of the neighbouring properties.
