Thank you for your recent application which I received on 30th April 2018. It is being validated by Mrs D Johnson who will be able to assist you should you have any questions.

I regret that I am unable to accept your documents as a formal application until the following item(s) have been received or resolved :-

Two sets of proposed elevations has been submitted. Please relabel one of the plans as existing.

Biodiversity Checklist

Please provide the Biodiversity Checklist so that so that the ecological impacts of proposals can be assessed. Both the checklist and the guidance notes are available on the Council's website and further information can be found in the Local Validation Requirements. If you do not feel this is the case, you can serve a notice on the Council, specifying which particulars or evidence you do not consider meet this test of reasonableness. You must state which items you disagree with and set out the reasons why you hold the view, please quote the application reference in your letter or email. The Council will then consider your case and respond. It should be noted that there is no right to challenge the national requirements as these requirements are contained in planning legislation.
