Mr Moore,

I have taken a handful of applications from Simon in an attempt to help him have a reduced workload. I have been trying to deal with these applications around my other work and I have one more to write up before I am able to do yours. I hope to be able to do this by the end of this week. Please contact me on Monday for an update and I will hopefully be able to confirm that it has been written up.

Whilst writing, could you agree to an extension of time to 15 November to allow us the time to write it up and get the decision issued? That way we are able to record the decision as being 'within time' for the purposes of performance reporting to government.

Many thanks. Neil

Dear Mr Crowther,

I refer to the above development and current planning application – I was wondering if you have any news on the progress of the submission that I could pass on to my clients?

The application was validated on 1 August and due for a decision by 26 September according to the Arun Planning website.

I look forward to hearing from you.

Kind regards,

Chris Moore
