Dear Mr. Crowther

Planning Application BR/120/19/PL

At the Town Council's Planning and Licensing Committee Meeting held 4th June 2019, Members considered Planning Application BR/120/19/PL - The Bandstand, The Promenade, Bognor Regis (Min. 23.3 refers).

Having considered the proposals, Members objected on the grounds of design, appearance and visual impact with particular concerns over the fitting of Perspex sheeting to The Bandstand. Members felt that insufficient design details were provided, with reference to the proposed Perspex sheeting, to enable them to be satisfied that these alterations and repairs would be in keeping with the Listed Building and not contrary to policies D DM4 and HER DM1 of the Arun Local Plan. It would seem that the Principal Conservation Officer at Arun also has some concerns regarding the Perspex sheeting.

At the time of submitting our representation to Arun, acknowledged by letter on 6th June, it was stated that Bognor Regis Town Council would appreciate the opportunity to attend a site visit with the applicant, to receive further information and discuss proposals.

Having received no response, Members have asked that I write again to ask that this request be considered.

Yours sincerely

Joanne Davis
Civic & Office Manager / Planning and Licensing Committee Clerk
