Subject: The Royal Hotel plans

I live at 3, 4 The steyne
And have looked at proposed plans by Metamorph management LLP
They have as I understand are putting in plans to make what was a one storey building ie (jack rabbit) into to four floors which has filled me with dread as this will, having looked at plans block
Our two windows of light and not just this which is upsetting enough, But also the wonderful view we have of the sea. Which I object to strongly. Firstly it will make my home very dark and secondly greatly under value my property. I am in full favour of doing up the Royal it has been in a sad state for a very long time. But to build up so high is very distressing to us. Please please can you advise me on what I can do to object to such proposals

Sincerely Mrs J Elsdon
