Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: BR/120/21/PL
Site Address: The Royal Hotel The Esplanade Bognor Regis PO21 1SZ
Description of works: Variation of condition 2 imposed under BR/257/20/PL relating to approved plans (changes to the elevations of the western end of the building). This application affects the character & appearance of The Steyne, Bognor Regis, Conservation Area.

Thank you for your internet representation made on 27th May 2021 which has been recorded as an objection with the comments as follows:

OWPC36832

This change in plan will directly effect myself as I live directly behind the building and currently have a sea view - this plan is taller than the original building, the extended changes are in appropriate and will also effect all residence of the steyne as parking already proves an issue regardless of holding a permit. I believe this will also impact my right to light and a long side this the steyne is part of a conservation area and the further changes are not inkeeping with the surrounding buildings e.g the Royal Hotel.

Your views as made above will be considered before the application is determined.
