Daun,

Please find attached drawing 824-04B which shows the blue line boundary of the site location plan fully enclosed.

The extent of ownership actually extends considerably further than this and it would not really be possible to prepare a plan showing the full extent of this to a sensible scale.

We trust this application will now be able to be validated but please let me know if you have any further comments or questions.

Thanks,

Phil.

Phil,

The blue edge needs to have four edges, so the land that is owned by the applicant is enclosed. I believe ADC may own the Esplanade. I would suggest maybe a location plan on its own at a scale of 1:2500 may be the way around the problem.

If you have any questions, please let me know.

Thanks,
Daun

For the attention of Daun Johnson.

Further to your emailed letter dated 7 May 2019, please find attached drawing 824-03A which now shows the extent of land owned by the applicant hatched for ease of identification.

We trust this applicant will now be able to be validated but please let me know if you have any further comments or questions.

Thank you,

Phil.
