Hi Sian,

I hope you're well.

The architect has finished with the proposed plans and will be dealing with the application from here on (obviously if that's ok) But, if it helps and speeds things up please see attached the plans.

Kind regards,

Ross Bish

Hi Sian,

I have received another letter from you yesterday about my outstanding planning permission. The architect will be attending the property tomorrow and I will ask him when he will have the outstanding information you require. Once I know I will let you know a time frame.

Thank you for keeping the application open.

Kind regards,

Ross

Dear Mr Bish

That would be fine, please could you email me every few weeks with an update just so I can update the system to prevent the application being returned. Alternatively if it takes longer than expected you can withdraw this application and then the fee can be transferred to the new application once it is resubmitted therefore you would not need to pay again.

Kind regards
Sian

Dear Sian

Sorry to hear you have been on sick leave.

I have today instructed an architect but they are unable to take on our work for approximately three weeks. It seemed the right decision to make to ensure these plans are correctly submitted to yourself.

In light of that, is it possible to have an extension on our application so that we don't have to submit again and pay an additional fee? (I'm guessing)

I look forward to hearing from you.

Kind regards,

Ross Bish

Dear Sian,

Thank you for your letter and information dated 13 June.

I have tried to call your office today but I was unable to leave a message as your voicemail was full.

Please would it be possible to call me back on [REDACTED] to discuss what I need to do/change going forward. This is the first application I've done and I need a little direction.

Kind regards,

Ross Bish
