

Application for certificate of lawful development

3 beatty road, Bognor regis, po21 2hd

Applicant: Myles Dhillon (Director)

Property owner: Future Live Ltd

We are applying for a change of use from C3 currently to C4.

The house has been fully renovated according to building regs and has been modified to accommodate 6 large bedrooms. This now puts the property in a different use class and we seek a certificate of lawful development to accommodate this.

With thanks
