Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 39

Application No: BR/121/21/CLP
Site Address: 3 Beatty Road Bognor Regis PO21 2HD
Description of works: Lawful development certificate for the proposed change of use of building from dwelling (C3 Dwelling house) to a 6 bed HMO (C4 House in Multiple Occupation).

Thank you for your internet representation made on 19th May 2021 which has been recorded as an objection with the comments as follows:

OWPC36413

I strongly object to this application on several points.

1. Health and safety, parking in this street is already at dangerous levels with cars parked overhanging junctions at either end.
2. Beatty Road is a small family street with a community spirit rarely found these days, an HMO would rip that apart.
3. If approved the market value of surrounding properties would be substantially and negatively affected, this is the responsibility of Arun council to protect and listen to it's council tax payers.
4. If approved this would almost certainly have an impact on the emotional and mental health of the residents in this community.

I ask the planning dept to consider very carefully the thoughts and feelings of it's tax payers and the potential damage that this application could cause for a long standing Bognor community.

Your views as made above will be considered before the application is determined.
