Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015 - Article 39

Application No: BR/121/21/CLP
Site Address: 3 Beatty Road Bognor Regis PO21 2HD
Description of works: Lawful development certificate for the proposed change of use of building from dwelling (C3 Dwelling house) to a 6 bed HMO (C4 House in Multiple Occupation).

Thank you for your internet representation made on 22nd May 2021 which has been recorded as an objection with the comments as follows:

OWPC36569

I object to the above application

The reasons are as follows

There have been significant parking issues in the area since the 1980,s made worse by the development on the old Bognor Motors site. Many residents in the area sacrificed their front gardens to create their own parking zones to counter this meaning there are very few on street parking spaces left. Illegally and badly parked vehicles cause serious congestion issues for the heavy volume of traffic in Longford road and the streets off it and safety issues for pedestrians who have to negotiate vehicles parked on pavements. Having little or no enforcement of illegally parked vehicles the introduction of an additional HMO to the area will worsen an already bad problem

In addition the ratio of bedrooms to other living spaces within the dwelling are bordering on third world living standards with no space for recreation or social activities thus forcing occupants outside the property with the attendant noise and litter issues

Your views as made above will be considered before the application is determined.
