Yes it's just 6 people. Thanks so much

Dear Myles,

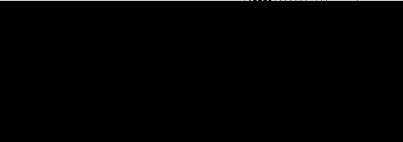

For this application, noting that there is a permitted change of use to a HMO of up to 6 people, can you just confirm that you are applying for 6 people not 6 beds? It's just that you have applied for 6 beds and the plans show 6 double beds which suggests more than 6 people. However, there is no need to amend the drawing if you can just confirm by return to me that you are proposing a HMO of a maximum of 6 people.

Kind Regards
