

Dear Jack

Although this is an Outline application, the surface water drainage statement is required as the Case Officer will look at the principle of the whole proposed development.

The statement was included in the letter of 31st July, however it was not clear as it was on the letter as 'Please provide a statement in accordance with our Validation Requirements'.

Kind Regards

Dear Nicola,

I have received a letter regarding the above application asking for a Surface Drainage Statement, can I ask why this hasn't been asked for in any previous correspondence? And also why it is needed as this is only an outline application?

Many Thanks

Jack Dowling
