Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: BR/122/20/OUT
Site Address: Garth House High Street Bognor Regis PO21 1HQ
Description of works: Outline application with some matters reserved for demolition of Garth House and West View to be replaced with 20 No. self contained apartments consisting of 10 No. 1 bed and 10 No. 2 bed apartments.

Thank you for your internet representation made on 12th September 2020 which has been recorded as an objection with the comments as follows:

OWPC29557

This building will have a huge impact on the three houses directly to the side. It will block most, if not all of our light. We will be overlooked from our bathrooms and upstairs windows. We will lose all of our privacy. The plans do not allow for parking, so this will have an impact on the surrounding roads. With plans for twenty flats, this could generate 40 or more extra cars.

Access from the front of the building is on a tight bend leading onto the main high street. This could have safety implications with people trying to cross the road. The flats have planned for cycle storage so again this is another safety concern.

There are several trees in the garden that would need to be removed and I also concerns over the noise levels that would be generated from twenty flats.

Your views as made above will be considered before the application is determined.
