Unfortunately I have still not received the elevations of the combined bin and cycle store.

Could you please confirm if you are still intending on providing these.

Many Thanks

Dear Charlotte

I believe the comments on the application acceptance sent by the council mention both bin and cycle storage hence the plan submitted included both but please add it if it's appropriate.

I have copied in the builder will advise on elevation of said structures.

Steve - Please can you respond to the below query from Charlotte please.

Kindest regards

Sven

Dear Mr Hanson,

I write to you regarding the recently submitted Discharge of Condition application for 28 Canada Grove.

It is noted you have included details relating to the cycle storage (Condition No. 3) and as this is also outstanding did you wish for this to be added to this application?

The officer has also requested elevations of the combined bin and cycle store.

I await further instruction.

Many Thanks

Charlotte
