Dear Ms Allen

Development: Approval of details reserved by condition imposed under
BR/208/14/PL

Location: 65c Gravits Lane Bognor Regis

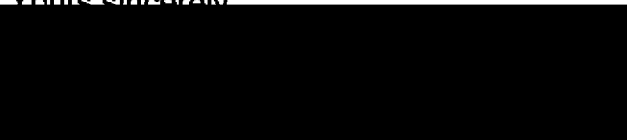

Ref: BR/112/18/DOC
Condition No. 3

Per our telephone conversation on 12 April 2019, I am enclosing the additional information that was requested by the Council's Drainage Engineers when our last Discharge of Condition application was refused.

As noted during our phone conversation and in the email you sent to confirm further details, I had submitted the requested information to the Council on 8 November 2018. This information was added to the old file. I was not advised that a further application form and fee had to be submitted. I appreciate your apology in the email you sent acknowledging the situation.

Given the situation, may I kindly request that the information enclosed be given priority? I look forward to hearing back from the Council.

Yours sincerely,

Mrs. Jeannine Rodriguez
Secretary, JPI Developers, Ltd.
