Subject: Re: Planning application BR/126/20/HH

Dear Sir/Madam,

I have been made aware today of the detail of the planning application at BR/126/20/HH for 119 Chichester Road, Bognor Regis, West Sussex, PO21 5AE. I was told by the new owner of the property back in March this year that he planned at some time to put a new extension etc. to the property. However, the owner of the property has not shown me (as immediate neighbour) or discussed with me any of the detail of the application or even that a planning application had been made. A copy of notice of application had been placed further down the road outside another property, and I have only been made aware of it today by a neighbour. Having viewed the proposed application my concern is the serious loss of privacy due to high-level windows placed in a dormer construction to the rear of the property overlooking my garden which I feel could also de-value my property. I would like your comments please and indications as to what measures may be required to retain a similar level of privacy to that enjoyed at the present time.

Yours faithfully,

M. Weller
117 Chichester Road, Bognor Regis, West Sussex, PO21 5AE.
