Dear Nick,

Please see attached WSCC Highways objection.

On the basis that they consider that space 2 is unusable and that it should be removed from the scheme, you end up with an application for 6 flats with 1 parking space which is the same quantum of development as per the refused scheme (BR/215/18/PL). I appreciate the design has changed however I do not consider that the revised scheme satisfies my previous concerns therefore I will be refusing this second application. You may want to consider withdrawal instead?

Kind Regards
