Dear Nick,

Thanks for the prompt reply. I have finished my report and will now pass this through to my team leader to agree for the Committee agenda. I will need you to agree the pre-commencement site setup condition (email sent separately) and I will also need your agreement to an Extension of Time until the 11th October 2019.

Kind Regards

Dear Nick,

The west elevation on your drawing ADS-002-P Rev J shows three velux roof lights which are not shown on any other plans. I suspect these were left on the drawings from the 6 flat scheme. Can you provide a Rev K version of the drawing by Wednesday this week with these removed. Thanks.

Kind Regards
