Dear Sir,

Thank you for your letter of
March 22nd. As the owner of Flat 2
I would be very pleased to have
the age-restriction removed.

Not only would this
increase the value of my flat but it
would be easier to sell it.

Apart from the use of a lift —
which often breaks down! There are
none of the modern day requirements
for age-restricted properties
we have no emergency appliances, no
access for a wheel-chair, no fire
extinguishers and no hand rails
anywhere.

I support any action which would
result in this removal.

Yours sincerely,
