Stuart,

I believe they are flats 1 to 7.

But why do you need the flat numbers?

Troy,

Further to my previous email please can you confirm the flat addresses within the Clarence Gate – that represent the 7 units on the first floor which currently have an age restriction.

This is not clearly statement in your statement of case.

Kind regards

Troy,

Following our telephone conversation this morning, it is noted that we are obligated to re-advertise, by re-consulting the Parish Council, Highways and allow for a newspaper advert.

On behalf of the Council I cannot apologise enough, and shall make sure this procedure is implemented as a matter of priority.

Once we have received confirmation of further comments you shall be informed.

Kind regards

Dear Mr Bloomfield,

I have not received the courtesy of a response from you in relation to my emails of the 1st or 20th June.

While I understand that local authority planners are under a great deal of pressure I feel that I have been extremely patient.

I need to confirm with you that the application as lodged is being considered against all the restricted units and not just flat 2.

Regards,
