Hello neighbour if you could adjust the EOT for me would be marvellous! 7th November.

Thanks
Stuart

Good morning Troy,

The extended public consultation has now ended and the officers are minded to permit under delegated powers subject to Senior officer agreement.

We are minded to issue our decision by 7th November 2018. If you are in agreement and would agree to an extension of time would be most helpful.

Kind regards

Stuart Corbey | Senior Planning Officer, Planning Department, Directorate of Place, Arun District Council | Location: First Floor, Arun Civic Centre, Maltravers Road, Littlehampton, BN17 5LF

Stuart,

I would still like a response to this question and a general update on where we are with this application.

Stuart,

Can you confirm that approval will result in the removal of the agreement overall, as requested.

Troy,

The flat numbers please for clarity of the application detail.

Best

Stuart,

I believe they are flats 1 to 7.

But why do you need the flat numbers?

Troy,

Further to my previous email please can you confirm the flat addresses within the Clarence Gate – that represent the 7 units on the first floor which currently have an age restriction.

This is not clearly statement in your statement of case.

Kind regards

Troy,

Following our telephone conversion this morning, it is noted that we are obligated to re-advertise, by re-consulting the Parish Council, Highways and allow for a newspaper advert.

On behalf of the Council I cannot apologise enough, and shall make sure this procedure is implements as a matter of priority.

Once we have receive confirmation of further comments you shall be informed.

Kind regards

Dear Mr Bloomfield,

I have not received the courtesy of a response from you in relation to my emails of the 1st or 20th June.

While I understand that local authority planners are under a great deal of pressure I feel that I have been extremely patient.

I need to confirm with you that the application as lodged is being considered against all the restricted units and not just flat 2.
