Dear Mr Stefanski,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application for Planning Permission

Development: Erection of a commercial unit at ground floor level with residential development of 3 no. bedroom flats above.
Location: Land Between 2b And 4 London Road Bognor Regis NEAR PO2

Thank you for the information you have sent following my previous letter. Unfortunately I am still unable to accept the application as valid until the following matters are resolved:-

Pagham Harbour Management Contribution Legal Agreement and Fee

As your proposal is for the creation of residential units within Pagham Harbour Buffer Zones A & B, you are required to provide a completed and signed unilateral undertaking legal agreement as part of your planning application submission together with the appropriate legal checking fee. This is a Local Validation Requirement and the purpose of this agreement is to secure the required Pagham Harbour Management contribution.

Full details of the Pagham Harbour Management Contribution can be found in the Validation Requirements List and also on the Council's website at the following link:
<http://www.arun.gov.uk/planning-obligations>

For further detailed information on validation requirements please go to our website and refer to the requirements list for this type of application: <http://www.arun.gov.uk/making-a-planning-application>
If you are unable to access the website, please contact this office so a copy can be sent to you.

Where the information requested above relates to a local validation requirement, you may request that the requirement is waived. The information requested should be reasonable having regard to the nature and scale of the proposed development and about a matter which it is reasonable to think would be a material consideration in determining the application. If you do not feel this is the case, you can serve a notice on the Council, specifying which particulars or evidence you do not consider meet this test of

reasonableness. You must state which items you disagree with and set out the reasons why you hold the view, please quote the application reference in your letter or email. The Council will then consider your case and respond. It should be noted that there is no right to challenge the national requirements as these requirements are contained in planning legislation.

Please provide the above by **20th July 2020**. If this information is not received by this date, I will close the file as incomplete and you will have to submit a fresh application.

If this letter has crossed with you providing the information, please ignore it.

Yours sincerely

Neil Crowther
Group Head of Planning
