Dear Simon

No problem.

I can confirm our agreement to an extension of time until 30th September.

Do let me know if there are any problems with the application prior to determination of the application.

All the very best

Richard

Subject: RE: BR/131/20/PL Land between 2b & 4 London road

Dear Richard,

Thanks for letting me know. I know Dominic from his time with WSCC Highways.

Conversely, I have found out today that our legal team did not get instructed to check the Pagham Harbour Legal Agreement and so I have had to instruct them quite late on in this process. Although it is our Technical Support team that issue these instructions ultimately, it is my responsibility to check progress, so I'm sorry for missing this. Therefore we will need to agree an Extension of Time to cover both the legal agreement checking and the parking survey. Could we agree one until the end of September (30th) which should be sufficient to cover both.

Kind Regards

Dear Simon

See below:

In terms of timescales, the data collection company will typically need a week lead in to get the necessary resource and consents in place. We'll go out for quotes and see if we can get someone out next week, but realistically I expect it will be w/c 14/9 for the survey to be conducted. On that basis it'll be the w/c 21/9 when we get the data back, but we'll be able to provide the overview note within a couple of days of receipt of the data.

If we can get someone out next week that will bring things forward by a week, so we'll definitely push for that if possible.

Kind regards

Dominic
