Thank you for your recent application which I received on 21st July 2026. It is being validated by Laura Mills who will be able to assist you should you have any questions.

I regret that I am unable to accept your documents as a valid application until the following item(s) have been received or resolved :-

The fee deposited with your application is incorrect. I suggest it should be £610.00. This would attract an additional fee of £62.00. I would be grateful if you would either make payment on line at <https://www1.arun.gov.uk/make-a-payment/start> or forward a cheque made payable to Arun District Council for this amount to me as soon as possible. If you make the payment online, please forward a copy of the fee receipt, so that the payment can be quickly linked to your application. Please note we cannot accept cash.

Block Plan

Your block plan has a label of 1:50 but is scaling correctly at 1:500, please amend the label.

Pagham Harbour Management Contribution Legal Agreement and Fee

As your proposal is for the creation of residential units within Pagham Harbour Buffer Zones A & B, you are required to provide a completed and signed unilateral undertaking legal agreement as part of your planning application submission together with the appropriate legal checking fee. This is a Local Validation Requirement and the purpose of this agreement is to secure the required Pagham Harbour Management contribution. Please can you also provide the contact phone number and email address for all of the parties who have signed the agreement so that the legal team can contact them direct if there is an issue with the agreement. Once you have paid the legal checking fee on the website, please provide a copy of the fee receipt so your payment can be quickly linked

to the application.

Please also provide a copy of the Land Registry Title Deeds.

Full details of the Pagham Harbour Management Contribution can be found in the Validation Requirements List and also on the Council's website at the following link:
<https://www.arun.gov.uk/planning-obligations>

For further detailed information on validation requirements please go to our website and refer to the requirements list for this type of application: <https://www.arun.gov.uk/making-a-planning-application>
If you are unable to access the website, please contact this office so a copy can be sent to you.

Where the information requested above relates to a local validation requirement, you may request that the requirement is waived. The information requested should be reasonable having regard to the nature and scale of the proposed development and about a matter which it is reasonable to think would be a material consideration in determining the application. If you do not feel this is the case, you can serve a notice on the Council, specifying which particulars or evidence you do not consider meet this test of reasonableness. You must state which items you disagree with and set out the reasons why you hold the view, please quote the application reference in your letter or email. The Council will then consider your case and respond. It should be noted that there is no right to challenge the national requirements as these requirements are contained in planning legislation.

If providing additional documents or information, please email it to: planning.responses@arun.gov.uk with a covering email clearly explaining what is being provided. Do not resubmit it via the planning portal as we receive all the original information plus any amended information and it is not clear what has changed. Please provide the above by **10th August 2026** or your application will be closed as incomplete and where a fee has been paid, I will retain £40.00 (or the entire fee, if less than £40.00) to cover the cost of administering the return. If you have difficulty meeting this deadline please contact the above officer to agree an extension to this time scale. Once the application has been closed, you will need to submit a fresh application if you still want to proceed.

Yours sincerely

Neil Crowther
Group Head of Planning
