OWPC86349

The whole area is being congested with HMO's causing an already severe shortage of family homes to become a crisis. They are changing the area from family friendly properties losing the community feel of the area. Parents become weary for their children with the number of unattached adults who then frequent the area. The area is becoming a ghetto to HMO's, we are losing the community feel to the town. Families are feeling they are second class.
