Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: BR/134/26/PL
Site Address: 21 Longford Road Bognor Regis PO21 1AB
Description of works: Change of use from dwelling house (use class C3) to 8-bed, 8-person house in multiple occupation (Sui Generis) to include a rear extension and loft conversion. This application is in CIL Zone 4 (Zero Rated) as other development.

Thank you for your internet representation made on 3rd September 2026 which has been recorded as an objection with the comments as follows:

OWPC86454

Should this property be converted to another HMO, it would be the loss of yet another family home, which is close to the town centre and immediately opposite the railway station.

The scale of the proposed development would be out of keeping with the surrounding area, There are also currently four HMO's withing 50 meteres of the property and a further seven 100 meters away.

The proposed eight rooms together with visitors, deliveries, various vehicle movements would result in further congestion in an already very busy road.

The proposal would involve changing a three bedroom home into an eight bedroom house of multi occupation which require building into the garden, thus depriving future residents of outdoor space.

As ward councillor I request that this application is taken to committee and not decided under officer delegation.

Francis Oppler
