APPLICATION REF: BR/136/15/PL

Dear Daun,

Please find attached additional information as requested to supplement the application for no. 48 London Road, Bognor Regis.

Information attached includes :
- Validation requirement checklist
- Biodiversity checklist
- Updated location plan (street name added, site boundary amended, drawing 002-P01-B)
- Updated block plan (street name added, site boundary amended, bin store and area of proposed works hatched, drawing 002-P03-B)
- Economic development statement -

With regard to point 5 on the validation requirement list we have put together a statement following a conversation with Linda Stanley and her colleague at Arun.

With regard to point 13 on the validation checklist we are proposing to use the current commercial bin location for two additional wheelie bins (refuse/ recycling) to cater for the proposed residential unit.

We hope the application can now be processed, but if you do still require any further information please contact me.

Kind regards,

Jonathan William Buckland BSc, DipArch, ARB
