Mr J Buckland

3 **Description of Development**

Change of use of first floor (A1 Shops) to 1 No. 2 bed flat (C3 Dwelling houses) & reinstatement of front door on Bedford Street to provide access to first floor accommodation.

4 In pursuance of their powers under this Act and related Orders and Regulations the Council **REFUSE** to approve the development as described in the application and plans for the reasons stated.

1 The proposed development fails to make a financial contribution towards the cost of providing accessible natural open green spaces to serve the Pagham area and the proposal is therefore not in accordance with Policy ENV DM2 of the Arun Local Plan 2011-2031 (Publication Version).

2 The proposed development makes no contribution towards affordable housing provision and is thereby contrary to the aims and objectives of Policy DEV17 of the Arun District Local Plan 2003 and the Council's Interim Affordable Housing Policy adopted on the 18th August 2010.

INFORMATIVE: Statement pursuant to Article 35 of the Town and Country Planning (Development Management Procedure)(England) Order 2015. The Local Planning Authority has acted positively and proactively in determining this application by identifying matters of concern with the proposal and discussing those with the Applicant. However, the issues are so fundamental to the proposal that it has not been possible to negotiate a satisfactory way forward and due to the harm which has been clearly identified within the reason(s) for the refusal, approval has not been possible.

NOTES RELATING TO PLANNING APPLICATION
TOWN AND COUNTRY PLANNING ACT 1990
APPEALS TO THE SECRETARY OF STATE

If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the First Secretary of State under section 78 of the Town and Country Planning Act 1990.

If this is a decision on a planning application relating to the same or substantially the same land and development as is already the subject of an enforcement notice, and you want to appeal against your local planning authority's decision on your application, then you must do so within 28 days of the date of this notice.

If an enforcement notice is served relating to the same or substantially the same land and development as in your application and you want to appeal against your local planning authority's decision on your application, then you must do so within 28 days of the date of service of the enforcement notice, or within 6 months (12 weeks in the case of a Minor Commercial development) of the date of this notice, whichever period expires earlier.

For all other cases, if you want to appeal, then you must do so within 6 months of the date of this notice using a form which you can get from the Secretary of State at the Planning Inspectorate, Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN or on line at www.gov.uk/government/organisations/planning-inspectorate

If this decision is a refusal relating to a minor commercial development, where the application was made on or after 1 October 2013, please note that you must appeal within 12 weeks of the date of this notice. For a definition of minor commercial development please refer to The Town and Country Planning (Appeals) (Written Representations Procedure and Advertisements) (England) (Amendment) Regulations 2013 or contact this office for clarification.

The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to him that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

In practice, the Secretary of State does not refuse to consider appeals solely because the local planning authority based their decision on a direction given by him.

PURCHASE NOTICES

If either the local planning authority or the Secretary of State refused permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council (that is, where the land is situated in a National Park, the National Park authority for the Park, or in any other case the district council in whose area the land is

ARUN DISTRICT COUNCIL BR/136/15/PL

situated). This notice will require the Council to purchase the owner's interest in the land in accordance with the provisions of Chapter 1 of Part VI of the Town & Country Planning Act 1990.

Please note that this decision notice only relates to matters under the Planning Acts and does not give consent under any other legislation that may apply to the development. You will need to carry out your own checks to determine whether any other consents or permissions are required. For example, the Building Regulations are likely to apply to most developments, and a Highways Licence may be required from West Sussex County Council for any development within the public highway (including the placing of skips on highway land).
