Subject: RE: Request for further information BR/138/20/PL

Dear Sir/Madam

Please find attached completed CIL form as requested.

Whilst I'm happy to provide at this stage, I wasn't aware that submitting this form was a strict validation requirement (the Planning Portal for instance doesn't prompt one to be submitted) and therefore I wonder whether

the application should still be valid from the date on which it was submitted and the planning application fee paid? I may of course be wrong. In any event given that the application is for a temporary use of an existing building involving no additional floorspace, I do not think it is essential to the determination of the application.

Many thanks
Yours faithfully
Ruth Harding
