Hi Adrian,

I have also just seen the EA comments on our website.

I have 30 applications that are older than yours and which I have to try to do before I can get to your report. For this reason, I can't see me being able to make a decision on yours until late October at the earliest and I would be grateful if you could agree to an Extension of Time until the 31st October.

Kind Regards

Simon,

I note that the Environment Agency have now responded with some conditions for the above application at Hook Lane.

Are you able to give an indication for a determination date now that all statutory consultees have responded?

Regards

Adrian
