REF. BR/141/14/PL

RESUBMISION BR/176/13

I am writing on behalf of the residents here at Danehurst regarding the above reference for new doors and windows which have been promised for some years and have been told there is a delay ("undecided") once again.

Can you PLEASE try to expedite the decision, as we dont want the work done in the winter as there are some elderly people here who don't get out much and would not be able to suffer the cold when the windows and doors are taken out.

So I am hoping for a favourable reply very soon so can assure the residents that all is being done that can be done by your good selves.

Thankyou in anticipation

Yours sincerely
