Dear Sirs,

Re: Decision Notice BR/224/18/PL
Application for approval of details reserved by condition.

Further to the change of use planning Decision Notice, reference number BR/224/18/PL please find enclosed the relevant application to discharge condition 3 and a cheque in the sum of £116 to cover the application fee.

Also enclosed is the Travel Plan Statement and a copy of the original email dated 28th February 2019 when the document was sent into Arun as part of the initial dialogue with the allocated Planning Officer, as evidence that the deadlines were met as set out in the condition.

Unfortunately, it was only today after chasing (via email) that we were informed that this application was necessary and a further fee payable. Therefore my client and I presumed that this was being processed due to fact that numerous emails to seek and confirm its status were requested, which there was no response until today, hence the enclosed application.

Enclosed are three copies of each application including the original in line with the national requirements.

We look forward to receiving the relevant confirmation to discharge the condition. In the meantime please do not hesitate to contact me should you require any further information.

Yours faithfully,
