Dear Alex,

That plan formed part of the Design & Access Statement and so yes it was assessed as part of the determination – and a copy was shown to members at the Committee. However, I did not include it in the plans condition on the decision as you had sought outline with all matters reserved therefore would not be relevant to restrict the approval to an indicative drawing.

Kind Regards

Subject: BR/142/18/OUT - Block Plan

Dear Simon,

Re: BR/142/18/OUT – Block Plan

Further to the planning meeting on 16th January 2019, during which the council permitted the above application, I have been reviewing the documents submitted with the application and assessed during the meeting.

Please can you confirm that the attached Block plan was assessed and forms part of the application; it may be my oversight but I can't see it on the website although remember it being assessed during the committee meeting (can be verified via the webcast recording).

Thanks in advance for your help once again.

Kind regards,

Alex.
