Dear Amber ,

Further to our telephone conversation few days ago , I confirm that my client is happy to reduce the seat numbers to 50 to meet the toilet requirements.

Please let me know if you need more information .

Kind Regards,

A KABLAN

Dear Mr Kablan,

Thank you for your email.

I attach the document relating to the 'provision of sanitary accommodation in food business. Within this it states the toilet requirements in relation to the number of seats.

<https://www.arun.gov.uk/download.cfm?doc=docm93iim4n11788.pdf&ver=11779>

If the restaurant proposes 50-60 seats I still believe the provision of toilets would be short.

Please let me know if there are any amendments that can be made to comply with EH comments.

Thank you

Amber Willard
